The Premises:

It is small, but clean and comfortable inside.

The Lady:

An attractive Thai lady with a slim figure and B/C cup breasts.

The Story:

On a very hot and tiring day I fancied a nice Thai massage. This was reasonably ok not too firm and very relaxing. There was some soothing Thai music being played in the background. Towards the end of the massage, Bella got me in the mood with some ball tickling.

I turned over and she put a condom on me and gave me covered oral. We then proceeded to have sex in the missionary position, but a combination of her tightness and my fatigue led to to ask if I could come over her boobs to finish. My wish was granted and I soon exploded.
