### The Story:

After payment we got onto the bed and both of us undressed followed by gentle kissing and rubbing of her smooth skinned body. For some reason my todger decided to vanish. To make up for this on my suggestion I asked Sasha to sit on my face and I would try to make cum. Wow after a few minutes my face was wet through (lovely taste) and she was impressed that I had succeeded in giving her an orgasm. Still unable to awaken the todger we went into a 69 and once again but after a little longer than before my face was soaking again. Sasha was disappointed for me that we didn't manage penetration but having made up for this with the RO we were both pleased with the outcome overall.

I will return to try again

Thanks Sasha
