The Premises:

Hod's Warren Street flat - extremely convenient for the tube. Not very spacious, but perfectly adequate

The Lady:

Priya is advertised as an Indian girl, which is certainly true in terms of looks, though she is UK born and bred. Medium height and build, with a great natural pair of tits - possibly not quite as large as advertised but lovely even so.

The Story:

This was a wonderful experience with a lovely friendly girl. Deep kissing from the start and lots of lovely fondling led to a rapid first explosion by hand. I then went to give her some attention and discovered a lovely natural bush, which is a real bonus for me. I went down on her with great relish, with the slightly musky smell only adding to the attraction - after a few minutes she either came or gave a very convincing impression of having done so. I was hard enough to fuck her straight away (and the memory of it is making me hard again now just a couple of hours later - no chemical help today either!)- she sucked me for a short time, which was good but I was keen to get into her tight pussy. A blissful session followed, with missionary, cowgirl and a finish in doggy - she seemed to love it hard and deep. I don't post many reports because I don't have many outstanding experiences, but this was certainly worth writing about - yet another gem from HoD (and I don't work for them!)
