The Story:

As detailed as possible? I think not.

Suffice it to say that I have been punting for many years and I have never had a blow job as good as this. When it came my O was the most intense I have felt for years - and I mean years.

She is not a 'dirty' girl - no finger in pussy and kissing was light, but she didn't mind me touching her bumhole during penetration. So if you want a dirty girl hard luck you will never feel her mouth round your cock. That's your loss my friend.

You will have to be quick - she is off home in three weeks, but she promised me that when she comes back she will use the same name.

I will deffo see her again before she leaves.

Please note the previous reviewer got her name wrong and put it as Alu.

I might try Lola as well. hehe.
