The Premises:

Dia has a beautiful flat near Baker Street. The flat is easily accessible. The place is eye catching. The flat is not only well decorated but well maintained as well. I have seen very few places like this and I visit lot of escorts.

The Lady:

Dia is just amazing. She is pretty, sexy, smart, articulate, intelligent. Her photos are genuine. However, she is better in person.

The Story:

Dia welcomed me with a warm smile. Her body language was perfect. She genuinely knew how to make a man happy. I had a wonderful time with her. While I enjoyed talking to her, I also enjoyed all her services. When she removed her robe I was struck by her beauty and sensuality. She started giving bj and I could not resist but fondle her natural 34DD breasts. Then it was next level. We made love and I thoroughly enjoyed doing it. Her eye contact, facial expression while we were making love was noticeable. She was clearly happy to be with me. She was enjoying it and that made me happier. After our session, I took a shower in her clean well maintained bathroom. Finally, I kissed her goodbye and promised her to give a call within a few days. I can safely say I am going to keep my promise.
