### The Premises:

The location was ideal really, nice and quiet and plenty of parking. Nice flat clean and tidy.

### The Lady:

Sophie has an incredible natural beauty. She has a lovely friendly smile, great curvy figure with perfect legs that seem to go on for ever. She looks just as her photos show her. For me the best thing about Sophie is her fantastic fun personalty which just makes your time with her very special and great fun.

### The Story:

I was shown in to a room by the maid whom is very friendly. I made myself comfortable, within a few minuets Sophie popped her head round the door with a great big friendly smile gorgeous face and lovely long blonde hair, I new straight away that this was going to be a great punt. She walked in and introduced herself, gave me a fantastic passionate kiss, we sorted out the fee and got things under-way.

WOW! I have seen many lovely lady's in my years of punting but none have been so affectionate and as naturally sexy as Sophie. Her deep French kissing is so tender. She then gave OWO that was quite incredible, to be honest I would have been quite happy spending the hour doing that, but then Sophie said she wanted me inside her so on with the hat and straight into doggy. She lay flat on the bed with her arms out in front, her back arched and her perfect round ass up in front of me, completely amazing! Then on to missionary, that was my favourite because we could do more of that great kissing and play with her lovely natural breasts> Within a few minuets I could hold back no longer and exploded inside her. We talked and cuddled with her stroking me so tenderly for a while, time seemed to go so quickly will book longer next time.

So all in all if you are looking for the ultimate girl next door experience then look no further, Sophie has just got to be the best.

Thanks so much for a great time, I will definitely be back to see you again soon Sophie. X X
