The Premises:

I have to be honest here. It's not the most glamorous place I've ever seen. GFE Sheffield is located in a somewhat rundown area of the city. But there is free and easy parking outside, and in any case, I didn't go there to admire the architecture.

The Lady:

This is a legendary Aimy, formerly of SS, where she spelt her name the more conventional way. She is a very good looking MILF, with a slim and yet amazing hourglass figure. Girls half her age must be envious. She's also a really nice person.

The Story:

I was on a rare foray up North and there was only one woman to see. I had actually seen her before, about a year ago, but this time she was even better/filthier. The hour began with a quick shower for me at my behest, and then the fun really began. Last time I saw Aimy she gave me a very sexy massage; this time she surpassed herself. This was not a faux therapeutic massage or a second-rate sports one, but a hugely sexy massage for which she used her tongue far more than her hands. She kissed and licked me all the way down my back letting her fabulous mammary glands rest against my lower back and then my arse, opening up my legs just a little wider as she went. Eventually, her tongue went everywhere - and I mean everywhere. I didn't even have to ask. She's just so incredibly horny she does things like that!

During the remainder of the session I had a couple of fantastic blow jobs, I made her cum three times orally, and with her assistance, made her squirt twice. After that, it was on with the mack as we just had to fuck - cowgirl, reverse cowgirl, doggy, missionary. X-rated stuff.

To finish off with, I got a terrific blowjob/handjob mixed in with a bit of anal play. Naturally enough, this culminated with a great CIM.

Wherever you live in the UK, go see Aimy at least once in your life. Treat her good because she's lovely lady, and if you don't have the time of your life you must have been seriously spoilt as a child.
