### The Premises:

Usual Annabelle's accommodation - discrete and with lots of nearby parking.

### The Lady:

As per photo - very pretty, with lovely toned body.

### The Story:

Generally I've had lots of very good experiences at Annabellas which, lazily, I haven't written about, but it's only because this encounter fell well short of their usual high standard that I've felt inclined to do a review. Basically Dollar, although beautiful, has no social skills at all and did everything that I dislike in a WG: chewing gum throughout; bored vacant expression; no conversation or even a smile; refusal to take off stockings; no help cleaning up afterwards; in fact left the room for some minutes as soon as the deed was done; on her return she immediately dressed and stood gormlessly by the bed despite the fact that I had ten minutes remaining - she then lay on the bed at my suggestion, but just laid there gormlessly! She even had the temerity to make groaning sounds when I suggested it was too early for her to be getting dressed. I should've asked for some money back as I was only there twenty minutes and Dollar definitely wasn't going to do anything else for / with me. But I left quickly, feeling short-changed. My advice - don't waste a cent on Dollar!
