The Lady:

In a word Stunning Roxy is one of those girls who steals your heart within seconds of meeting her . Her photos do not do her justice as they cannot convey the warmth and friendliness she has shown me and to any other prospective clients . She is seriously addictive with a lovely smile and chatty good natured humour . She will go far in this business without a doubt. She has a beautiful tight little body with beautiful that promise a world of delight and she delivers big time and she doesn't rush you in anyway or clock watch like some I have seen in the past . She makes you feel like you are her world .

The Story:

Roxy came into the room in a sheer black top and black stocking and stiletto's my favourite look . She handed me my drink and told me not to rush but looking at her the drink was the last thing on my mind . She told me to undress which I did and she began caressing my cock and got me to lie on the bed whilst she began giving me owo . I had to ask her to stop as it was getting too good and I dint want to rush the experience . so I began kissing her with light French kisses and started fondling her lovely breasts and sucking her nipples before going south to lick at her lovely clit . She then offered me a 69 which was delightful and once again I had to ask her to stop . So she slid on a rubber for some cowgirl followed by enthusiastic doggy style whilst she looked at me over her shoulder and the sight of her made me believe I had died and gone to heaven and then scissors position to finish and a great finish it was . We then spent the remainder of our time chatting about parties and other girls I have seen whilst playing with my cock the whole time if I could have managed it twice in half a hour I would have definitely done so . But sadly it was not to be .

Will I return absolutely without a shadow of a doubt and hopefully sooner rather than later .
