### The Premises:

Discreate doorway on busy shopping street. Room was clean and tidy, decent sized bed and warm shower

### The Lady:

Blonde, about 5'8" knockout figure, nice boobs natural figure - in better shape than her photos might suggest. Good looking woman in her thirties - was concerned at first that she has little feedback - I guess that people are lazy and can't be bothered as she was amazing

### The Story:

Pixi came into the room after I finished showering wearing a red bra and black lace over the shoulder number. Gave her a kiss and got the paperwork out of the way. I elected for a massage to start, she stripped off and straddled me whilst giving a good massage. She then worked her way down to my ass and balls and teased my for some time. Flipped over to eye up that fantatsic body, gave her some oral, she said her pussy was ticklish so went lower which seemed to please. She the got me to finger her which was amazing. The on for some OWO, amongst the best I have had, more fingering then on with the cover as she rode me to completion. An amazing punt - highly recommended
