The Premises:

GFE is a well furnished, clean and well run establishment. The receptionists very helpful on phone and when I visited.

The Lady:

Very petite young black lady, early twenties. Amazing figure, photos are accurate but even better in person. Easy to speak to and get along with.

The Story:

I took a quick shower to assure that everything was clean down there, I'd had a shower before I left but this is the house rules.

Onto the bed and some kissing and cuddling and stroking, Asia enjoys being stroked although be warned she is very ticklish. Then some uncovered oral from Asia, she has a very good oral technique, plenty of eye contact and quite noisy.

I returned the favour and she was very responsive and appeared to enjoy my attention to her nice clean shaven and sweet tasting pussy.

Then on with a condom and sex with Asia riding me until I came.

I then gave Asia a nice relaxing massage whilst chatting to her.

Really lovely lady, could chat to her for ages and indeed went over my initial 45 minutes so extended to a full hour.

A real treasure hope to meet again soon.
