The Premises:

A converted flat and had lots of space. I liked the shower.

The Lady:

Sandra is stunning. I was not sure if the real life was going to be as good at the pictures. Thankfully they were. Sandra was wearing a figure hugging summer dress and high heels.

The Story:

I was nervous but the delicious Sandra put me at ease. She is chatty and has that stereotypical French accent. I don't want to go over the top but she is really hot. Lots of deep french kissing and cuddling. She gives a mean BBBJ, deep and she varies the pace. I loved the sex. Missionary with those long legs wrapped around me or her on her elbows and knees and me banging her hard from behind. Her body looks amazing in that position. Sandra is an active and passionate participant. I think she really enjoys the session. Everything felt natural with Sandra.
