The Premises:

This discreet, modern flat was located near London Bridge rail station. It was very clean inside.

The Lady:

I actually went to see another girl, Jennifer, who apparently shares the flat. I was greeted by Sofia and told Jennifer was busy. I continued with the punt although I was obviously disappointed.

The Story:

Sofia was a bit plumper than I prefer, maybe a dress size 14 with dyed blonder hair. She had DD breasts, but they weren't very firm. She started the session by masturbating me while I was standing. I think she wanted me to come there and then. I didn't, but I also wasn't in the mood for much more. We switched to laying on the bed and Sofia continued masturbating me while I played with her breasts. I finished by coming over them.

I think these sort of places have a high turnover so that's why you don't always get to see your preferred choice.
