### The Premises:

MK-Finest, located not far from the train station in Milton Keynes. About a 10 minutes' walk located on the north-side of the town centre. Flat is easy enough to find, set back somewhat, with a very discrete entrance. I arrived just before opening time, when all of the girls were scrambling to get showered and ready for the start of the day!

### The Lady:

Foxy appears to be a legend in herself and I can thoroughly understand to why this would be the case. A lovely down-to-earth Londoner, who has a blend of commonality and allure. A slim lady with the softest of skin, a tender bouncy bust with large nipples and perfectly kissable lips with long lushest hair. A splendid package all wrapped up in a rather eccentric personality but one which is quick to laugh and appealing in its entirety.

### The Story:

Having bumped into Foxy as she arrived at the establishment and she the one to let me into the apartment, once meeting her during the introductory stages, I guess there was no real choice. Despite this though, many of the others ladies on choice were seemingly appealing. Being introduced to 6 ladies certainly demonstrates the various states, personalities and approaches within this illustrative profession.

Everything that Foxy did, was accomplished with aplomb and with exquisite sensuality. She was gentle and was incredibly attentive to her client's needs. The light kisses, tender licking and attention to detail when it mattered, were all attributes that evoked a most remarkable encounter.

RO was the most intriguing part of this session and I will not spoil the surprise and permit others to squander in their curiosity when I state that Foxy partakes in a singular fete that I have never seen in a working girl, which involves strawberries. Trust me though when I stipulate that this unique twist made everything all that more appealing and what followed thereafter was only an epilogue to an enjoyable experience.

I recommend wholeheartedly and without reserve.
