The Story:

She was very hot. Her outfit left little to my imagination. She didn't talk a lot which I love. She did a sexy strip tease for me and it was slow and tantalizing. She did a slow dance, like mesmerizing. Her long hair was covering her nipples and driving me crazy when it swayed to one side and they peeked out. She put her tongue places that surprised me. She let me explore, uninterrupted. Very meek yet sexy. She's warm and sweet and made me practically drool. Had an amazing time and can't wait to do it again.
