The Premises:

A serviced apartment block not far from South Kensington tube station. Very luxurious. Only downside was the housekeeping team cleaning the rooms on either side of Louisa's when I arrived (thus it was not the unnoticed arrival I'd hoped for!)

The Lady:

A tall Eastern European girl. I think the pictures on the site are a good likeness, although she has a tattoo on her stomach that you can't see on the website. Possibly a couple of years older than her profile states, but I don't think anyone would hold that against her.

The Story:

Louisa met me at the door dressed in black underwear. We settled the business side of things and she offered me a glass of wine and a shower. It was a little early in the day for me to want wine, but went and had a quick shower in the deluxe bathroom. I went back into the bedroom and saw that Louisa had decorated it with her S&M gear. That wasn't really my thing, but she was more than happy to offer a more vanilla service. I lay down on the bed and she stripped naked for me. She would not put on a stitch of clothing until I left. I went into details, but I had a very enjoyable 60 mins.
