The Story:

Appalling. Absolutely appalling. Categorically the worst punt ever. She had nothing to say, she was entirely mechanical in what she did. Made no attempt to get me going, wouldn't let me kiss her, had run out of massage oil, had only 1 condom left, wouldn't let me touch her hair(!), was completely disinterested in me or what she was doing and the room was cold (atmosphere) clinical and downright depressing. There was no attempt to turn me on, or get me going, it was just off with the clothes and couldn't (wouldn't) look me in the eye.

Very depressing. I stayed for the best part of the hour just to waste her time, as of course there's no refunds either.

Definitely a no-no. 1 out of 10.
