### The Premises:

Clean, modern flat in high-rise. Metered parking just outside.

### The Lady:

Well-preserved lady in early 40s with dyed-blond hair. Attractive face, nice smile, great slim but curvy figure, lovely long legs.

### The Story:

Lovely lady who gave me a great GFE. Sophie has a natural ability to get on with people and make them feel at home. Not surprising when you consider what her other job is (you'll have to ask her yourself what that is but it certainly explains her friendly nature and glamorous appearance). Even hearing her voice on the intercom/buzzer beforehand put me in a good mood as she sounded so bubbly. She is a great kisser, soft and gentle and very sensual. Gave me a fantastic bj - she had to keep stopping to sweep her long hair out of the way but this only added to the experience. Otherwise I'm not going to go into the details of our bedroom antics but suffice to say I felt more than satisfied by the end. She said she has only been escorting for a few weeks (apart from an earlier stint quite a long time ago) but she has the easy, relaxed manner of an experienced WG. She is definitely worth a punt and I will certainly be seeing her again.
