The Premises:

Visiting the premises is no problem at all. It's in the Kensington and Chelsea borough and is well appointed with shower facilities, and a host of equipment.

The Lady:

Helen is striking - beautiful expressive face, tall hour-glass figure, and an impressive natural bust. Magnificently imposing!

The Story:

Helen is very professional, and is skilfully adept in all manner of wonderful things wicked. A natural dominant, with skills that range from the physical to the cerebral.

I believe it unnecessary to go into too much detail to protect my own modesty, but be assured this woman knows how to wield a cane and also knows how to truly make one submit. She pushed me to truly explore my submissive nature - I doubt I would have been able to achieve such an intense psychological aspect to the session with any other provider.

I had an absolutely wonderful time and sitting through my flight afterwards was delightful agony.

If you happen to read this Helen - thank you!
