The Premises:

Very nice flat (I could definitely live there) in a posh area within walking distance of Earls Court tube.

The Lady:

Very pretty brunette, about 5'6, athletic with small waist but shapely bum. Formerly, of House of Divine and Lisa of London Retreat.

The Story:

I've been seeing Sadie for a number of years. Although she specialises in Dom and fetish services, I have always chosen the more "vanilla" services as she calls it. However, vanilla doesn't really do her services justice.

Sadie's GFE services are just exactly that. Great kisser, brilliant OWO and loves to receive oral also. Always friendly and chatty and makes me feel like she is enjoying my company and having sex with me.

Her bath at the Earls Court flat is huge so shared bath to start. Then two rounds of sex (included lots of foreplay) with cuddling and chatting in between. No clockwatching and left after 2hrs feeling great.
