The Premises:

Above shops along a busy main road, discreet entrance, and plenty of parking close by.
Nicely decor room, and shower unit in corner.

The Lady:

A sexy and cute looking 5'4" brunette.
Matching bra and knickers, and sexy high heels as well.
Looks so much prettier and sexier in person.

The Story:

Arriving a little early, I took a shower.
Millie arrived in the room, in her usual sexy but cheeky look about herself, and planted a soft sexy welcome kiss for me.
I've seen Millie now a numerous times before, so I'm very comfortable being in her company now.
She has a very soft side for me, but she can get raunchier, if needed, which she did for me today.
Her kisses soon changed into DFK, and I was smitten by her charm and appeal by now.
Pushing to back to the bed, OWO was to start off with.
Not to be outdone by, switched places, and gave her some RO with a bit of rimming as well.
She got him covered, and jumped into cowgirl style, and I could get to feel her breasts at the same time.
Flipped her over into mish, another flip over into doggie.
By now, time was up for us now.
