### The Premises:

Top floor apartment very close to Tube station - some parking available but best on foot. Very clean apartment, good shower although a little cramped!

### The Lady:

Statuesque, Amazonian Nubian woman, late 20s exactly as in photos - some of the biggest nipples you will come across (literally!) and very long legs. Neatly trimmed down below

### The Story:

I've met Mandy before - once again she offered a passionate encounter. Mandy is not shy about her body and enjoys you exploring all of her nooks and crannies! She loves to kiss, and pulls your head in when you kiss both sets of her lips. She has a great tongue and gives a great BBBJ.

She loves to wrap those long legs around you in the heat of passion, and offers a very good GFE.

I will return again!
