The Premises:

Louisa's flat is not far from Leicester Square Tube station. It is a beautiful flat. Very clean. With a lovely bath and shower.

The flat is well equipped. There are two bedrooms. One of them has a four post bed in it.

The Lady:

Louisa is in her mid twenties. Dark hair and average height. She is very, very, beautiful with stunning eyes. Her figure is amazing. She looks very sexy in a short skirt.

She is a lovely, lovely girl. Easy to talk to. She made me feel at ease as soon as I met her. She is very open minded.

The Story:

I have met Louisa a couple of times before and mentioned to her that I would like to share a bath with her. After a brief chat she ran a lovely bath. We had a romantic drink in the bath before moving on to the bedroom. In the bedroom Louisa gave me an amazing massage before moving on to Oral(Covered). The session ended with what I can only describe as mind blowing sex.

She is a truly lovely person who is open minded and aims to please. She enjoys herself and makes the session as fun as possible.

Looking forward to seeing her again.
