The Premises:

One of Annabellas apartments in MK. Modern apartment, close to MK Centre, easy cheap parking close. Pleasant interior.

The Lady:

Apart from looking a little older than in her photos, the photos are good. Stunningly good body, truly peachy bottom as her description says, amazing nipples. Previous reviewer commented on her voice; I found it cute.

The Story:

I booked an hour, to have an unhurried session. I had requested Dom, followed by T&T, toys, and sensual massage. I had chosen Lottie as, whilst fucking a 19-20 yr old is fun and an element of excitement, I sometimes struggle to finish and an experienced lady knows how to get the best from a man.

An interesting start, Lottie was running a little late, then I showered while Lottie got ready, however an unexpected interruption then delayed our start further, but then when finally started, Lottie assured me I'd still get my full time, and she was true to her word on that.

No kissing on the lips, and no OWO, but lets just say that Lottie did some amazing things and gave me a most memorable experience, my best dom session so far, followed by everything I wanted and could manage, and Lottie made sure, with much action on her part, that I finally came. The memories of those amazing nipples, sweet pussy, peachy bum, and cute voice will stay with me a long while.
