### The Premises:

Debbies Massage is well known on these pages. A comfortable and secure place with two entrances. Two rooms in use and a well used shower!

### The Lady:

Violet is a friendly, average height blond charming young lady with a generous figure. Lovely big boobs and soft skin. As soon as I saw her I knew I was in for a good time and was proved right.

### The Story:

Violet entered the room wrapped in a towel having just got out of the shower, I opted for my usual service at Debbies, the VIP which includes a shared shower so had the shower at the end of the appointment. We chatted and gossiped about a couple of ladies who I used to see at Debbies before getting down to business. I have plain vanilla sexual tastes so nothing much to report on as regards activities. One great thing though, Violet found a large condom which made the encounter much more sensual. I don't go to Debbies for a massage so was happy to get down to business straight away and after a spell of OW and 69 and using those lovely boobs to good effect on my body Violet clambered aboard for a nice long spell of cowgirl. The shared shower was very pleasant and I left feeling I had made a new connection with a lovely lady.

Debbies used to be my regular place and will become so again now I am back in the area. Violet is another of Debbies top girls.
