The Premises:

Very clean establishment, good discreet parking.

The Lady:

Tall with curvy figure, extremely pretty, her photos do not do her justice on how stunning she looks. Nice boobs too. Very charming young lady and very well spoken.

The Story:

Arrived early as usual and was greeted by the ever so delightful and charming Millie. Was offered refreshments and bathroom before appointment.

was escorted to the room where Tiffany was already waiting. What a stunner! lovely skin complexion, gorgeous smile and luscious lips.

Anyhow got down to business for my usual body to body massage.

What superb hands this young lady has, working all the body in all the right places, even some unusual places, but still very stimulating just the same. All the time she gave eye to eye contact with a very pretty smile with those luscious lips pouting out at me right up to the very happy end.

Next time I visit I will make sure of 2 hours with this lovely girl. What a set of twin peaks this Ms Tiffany Towers has. We have all dreamt of the girl next door; she could well be her!
