### The Premises:

Good-sized, clean flat, close to Earls Court tube. Discreet entrance. Well equipped for Femdom/BDSM fantasies.

### The Lady:

Pretty redhead. Better looking than the photos. Nice, natural figure.

### The Story:

First time at the retreat in a couple of years so new to Rebecca.

This was a 'double trouble' session with Julia assisting.

I briefly described my fetishes (which are broad-ranging) but left it to Rebecca to run the show.

The ladies worked me over fairly thoroughly over the hour. Nothing extreme, but pretty constant intensity. This included some mild spanking (a bit too mild for my taste), lots of humiliation, anal and strap-on play (fisting, pegging, spit-roast), boob tease, these and denial and face-sitting (arse and pussy worship).

The hour flew by.

I had specified NO 'happy ending' (which is on offer) and was kicked out with plenty of insults and humiliation at the end of the session. So I left feeling intensely frustrated and humiliated, thoroughly dominated, and a little weak at the knees from all the anal play. Exactly what I wanted!

Many thanks to both ladies. I'd definitely recommend Rebecca and will be going back.
