The Premises:

A modern town house in the Westgate area. Easy to find. Clean and well looked after (you will be asked to leave your shoes by the entrance). Parking costs around £1.20 per hour in a nearby car park.

The Lady:

Diana is an absolute stunner, sultry-looking, slim, early twenties. She came to the door wearing a tee-shirt and jeans, and from the start was polite and friendly. She is from Romania and her English is not perfect, but this did not prevent us from having a conversation and she understood my relatively modest intentions perfectly.

The Story:

Deep kissing may not be on the menu, but apart from that she was very obliging. Her physique is as close to perfection as anyone can hope for. She has the slim body of a teenager, with well-shaped, medium-sized natural breasts. One or two small tattoos noted. There was no rush, she was affectionate, we cuddled, things proceeded as naturally as possible given the situation.
