The Premises:

Side street in Thornton Heath. Ok area. Private parking available also on street parking ok. Her flat was nice and clean. Basic double bedroom.

The Lady:

Bella is a very very friendly quiet spoken petite Brazilian girl with dark hair a pretty face and slim nice figure.

The Story:

Bella got right to it once the necessary transactions were dealt with. She started slow and passionately and was very attentive. Her OWO was ver good and lasted a long while I went down in her and she had what appeared to me to be a genuine strong orgasm which she was grateful for. In to sex in a couple of positions then afterwards a very nice and friendly chat about travelling.

Bella was one of my better experiences and I really enjoyed meeting her and would definitely go back again. Real pleasure.
