The Lady:

Tasmin (not Tamsin as it is on website at the moment) met and exceeded all my expectations. This girl isn't pretty, she is beautiful. Petite, elegantly made up and wearing sexy lingerie, she looked incredible.

The Story:

While she seemed somewhat nervous to start (first day apparently), things quickly became much more heated. Lying on the bed, kissing like teenagers, hands all over each other. Then the clothes came off and this girl who is pretty damn close to physically perfect for me started going down with some amazing OWO. Then we started fucking like our lives depended on it in various positions. During all of this she kept kissing me like I was the boyfriend she hadn't seen for a month. It was incredibly hot. I finished all over her gorgeous face.

Tasmin was amazing from start to finish, I wish I'd booked longer. She was friendly and engaging, amazing in bed, un-fucking-believably hot, and just pretty much my ideal woman all round. Left like I was walking on air.
