The Premises:

Brooklyns is a very good place to go with a rear a nod front entrance. The rear has a car park. Inside is very smart with more than one massage room.

The Lady:

Sam is 5 foot high. Large bust and very chatty.. She is basically a little blond bombshell.

The Story:

Sam walked into the room and started snogging straight away, leading into French kidding. we stood kissing for ages and getting Horner and Horner. Eventually Sam announced that she only cums with a cock, fingering and toys are useless, so for that reason, she loves her job. A few minutes later she proved her point very adequately.

In the mean time Sam had been giving me oral without like it was going out of fashion. She is new here, but I'm sure she will become very popular, after all, what is there not to like?

After giving her reverse oral she started on me again licking spitting and sucking away.

She is such a likeable girl.

Go and see her!
