The Premises:

Lives just off the Ilford lame area on a quiet side road. Parking available street side so not a problem. Lives in a ground floor flat converted from a terraced property. Clean inside with shower available.

The Lady:

Ana is brazilian, 44 years old, 5.4 tall with a very busty chest of 38e with large brown nipples. Her English is pretty good but understands better than she maybe speaks it

The Story:

Once inside and the money bit done. Lay down for a good back rub with oil, she massaged with her big tits too which was nice. Turned me over to start sucking. OWO given which was a surprise as at that price thought it would be covered, I wasn't complaining ! Her large brown nipples were a turn on as was her neatly trimmed and very wet pussy. I finger fucked her while she sucked me off. Got her in doggy position and fucked away for a good twenty mins and I'm sure she came as her juices were flowing all over the condom and bed now.....I needed to blow on her tits so she proceeded to suck my balls while I wanked over her titties.....all in all..very good and a must visit.
