### The Story:

What a lovely accent, that was the first thing that got me turned on. When she said "I'm yours to do with as you please" well, happy days. I opted for GFE, and it was fantastic, I actually managed to relax and have a very sexy time with this lady. Keen to kiss and caress this was great as I had a pretty tough week. A massage followed by a sensual blow, finishing off with missionary, an absolute delight.

NB: you also get a free French lesson... what an accent!
