The Premises:

Well located Mansion Flat fit for purpose, mattress could do with an upgrade.

The Lady:

Web site not misleading slim attractive English girls not for you if you like busty ladies.

The Story:

Two pretty English girls on their maiden duo together.

I have previously reviewed Zara with Jenny and this was a speculative booking on the basis that Jennifer's profile of likes included FFM and couples and would translate to an interactive duo.

Explained my desires and the girls started snogging and making out while I slowly got undressed.

Prolonged oral by Zara on Jennifer until she came while I snogged her/OWO.

Then double oral on me followed by Zara astride my tongue and Jennifer riding me, more oral before Zara got a covering of cum.

Massage break before we squeezed Zara between Jennifer and myself and we started to pleasure her, with Zara sucking me whilst Jennifer licked her.

Finished with girls either side of me wanking me whilst in a three way snog/fk.

Great time, nice friendly girls.
