The Story:

wow! I wanted intense, I got it !! walked in paid the lady and undressed with her help. kissed and on the bed in record time, no messing about rolled on top and entered her, tight cannot express it, velvet glove. she gasped, wrapped her legs around my back lifted her hips and squeezed, I just came straight away, I couldn't help myself. slightly embarrassed I cleaned up and we chatted. A few minutes later I was hard again and we rolled about on the bed, thinking I was now ok, I entered her again, tight and velvet, 3 strokes later she did that thing with her hips and squeezed, I came again hard and long. I was beyond embarrassed, twice now she had beaten me. Again I got cleaned up and we chatted and kissed, my cock twitching with the memory, after about 10 minutss of forplay lickinv her clitch, I got hard again and entered her, she allowed me to fuck her for about 20 strokes, she then lifted her hips and squeezed, OMG I came again. her control down below is phenominal, I need to return to fuck her properly. I am totally besotted, never in 3 marriages and over 20 years of punting has a girl done that to me, she is a gem.
