The Premises:

The location is easy to access and the room is nice and neat and creates a good ambience for sex. The place put me in the mood.

The Lady:

She is very young around 20 years of age, slim and tall, long legs, good hot figure. Good stats of like 34-24-34.

She is of European origin.

The Story:

I had a whole load of fun with her. She is sweet and flexible. Responded to my likes and pleasures. She tastes and smells good and looks like that of the pics. She gave a good blow job and I didn't feel the hour pass, it was great to roll and be with her. She is charming and nice. I would recommend her.
