### The Premises:

Well-known parlour in Attercliffe.

### The Lady:

Beautiful sexy blonde about 30, always turns my head in reception to this day, despite seeing her at least 20 times. She had her tight black dress and fuck me boots on today, which had the usual effect.

### The Story:

Sammy is gorgeous, no doubt, but you can't get how good she is until she's in the room. This girl loves sex as much as we do. Her mind is filthy, her thoughts delivered in an irresistible Barnsley accent.

This particular punt was in keeping with our normal experience. I lick her beautiful pussy, she loves it. I marvel at her beautiful tits and arse, (see those pics on the GFE website). We talk filth to each other throughout, she empties me after fucking in various positions. We talk about life, chill out and have a laugh. I tell her about other girls I've fucked, she loves it.

The best way to summarise Sammy is once you see her, you will go back. Again and again, if I'm a guide. She is always busy which speaks volumes. As long as I have a harem, she's in the top tier.

As if fucking Sammy isn't the perfect start to the day in it's own right, as we're walking downstairs, we bump into Kirsty. See the next FR. Guys, this GFE line-up at the moment is off the scale!
