The Premises:

Superb apartment in Central Paddington. Neighbourhood consists of mostly educated people in the office, travellers coming out of paddington station and people in the nearby restaurants. It is a good and discreet place, there is no reception as well :)

Shower was clean with a variety of gels available and fresh towels.

The Lady:

Where do I start??? You get what you see, actually better! She has a super personality and is 5'10 tall. She has big boobs and is busty with big bouncy boobs and hot green eyes. Also, she has nice long brunette hair.

The Story:

I entered with my heart pounding because I was very horny and couldnt wait to satisfy all of my desires. Ok so here we go. I called her flat and she let me in. Within moments, I was off to Heaven. So i knocked on the door and was greeted by Julia who was in high heels and sexy lingerie. With the heels she was towering above me! I loved it because i like tall busty and seductive women.

Ok so we started kissing with deep french kissed in the corridor and proceeded to the bed. We kept kissing for 5 minutes. I was offered a shower and took it. I returned to join Julia. I was very horny and my hands were all over her body! We kept kissing and Julia gives superb DFK. It felt like a real girlfriend experience and it was as if we were long lost lovers reuniting after a separation. julia was reaching for my cock and touching it, she is very naughty. I had to stop her because I was going to cum. So i put her on the bed and said I will go down on her. So i started kissing her from her lips until i reached her pussy. I have a technique which is too long to explain to make women cum. And within minutes, she was cumming and i could taste her cum. Her pussy was clean and shaved. I also fingered her tight pussy. My mouth was covered in cum and she licked it off. Then i proceeded to kissing her boobs and her body. She wanted to give me a BJ but I was teasing her. She was begging to taste me. But i rejected her requests and teased her further. After teasing her a lot, i let her taste me. Then she blew me until i shot my load in her mouth. End of round 1.

Once i recovered, she started with BJ, then i proceeded to fuck her tight wet pussy with a condom. I

was glad i put my dick in her. I kept fucking, she was on top of me whilst i licked her boobs. Then i cummed in her pussy after a while.

As soon as I cummed she wanted me to lick her again. So i used my technique and licked her and fingered her and made her cum. I could feel her cum with my fingers, it was nice and warm. I kept licking and fingering because I wanted her to moan!

Then she blew me and said she wantd me to cum in her mouth. That wasnt possible so i proceeded to fuck her in missionary whilst i put my weight on one of her boobs :). It was really nice and i felt like i was fucking my girlfriend, it wasnt mechanical sex but much better sex. We kissed and made eye contact during sex and i kissed her boobs. Then i kept fucking her until we changed to doggy position. I fucked her and spanked her. I couldnt cum so she blew me in 69 position. I was licking her legs and pussy and ass. It felt soo nice. I loved touching her because she is hot. She is taller than me and had to bend to kiss me which I like.

I cummed in 69 position and we layed down and talked for a long time. I went over the time by 20 minutes but she didnt notice as this was a real GFE. I was offered a shower and took it and left. I was given kissed before i left. The bathroom was clean with a variety of gels available and fresh towels.

julia is like a Ferrari. When you see it, you want it and when you have it, you dont want to leave it. Thats what Julia is. I enjoyed licking her and making her cum and moan.

I hope to see her again! Her tits and sooo hot and she is the hottest woman on Earth. When you touch her, you will burn with lust. Also, her nipples were erect during the meeting. I will ride her again.

She nicknamed me as 'strawberry man' 'boob man' and 'horny man'. She is horny, but im the horniest in the world!

Thxxx a lot Julia. You are a diamond. Will meet her again!
