The Premises:

Visited her place in London, easy to find once given when close by. Parking was easy and on meters within a hundred metres or so. Flat was perfectly acceptable, clean and tidy. Bathroom facilities were good, clean, toiletries available and fresh towels.

The Lady:

She matches her photos very well indeed, no excessive PS work going on here. She's VERY easy on the eye, has a very beautiful and perhaps what can be described as an exotic look. Her figure is superb. Within a minute of arriving I was stirred into action.

The Story:

Well, what a hell of an experience this was and one that will live in my memory for a very long time for all the right reasons. A fellow hobbyist suggested I see her and I wasn't let down.

Lucy opened the door wearing a lovely black dress cut above the knee, along with this she was wearing an incredible smile, my god she could be the face of colgate. Gorgeous and beautiful smile against a backdrop of sheer beauty. Her long legs also looked amazing. All of this and a great attitude from the start gave me confidence that this was going to be a great encounter.

I paid Lucy and retired to the shower, five minutes or so later and with a big hard on already I joined her in her room. Her dress was off and she looked truly amazing, a sight to behold and looks like one of those girls you see in adverts but never meet in real life.

The sex was amazing, Lucy loves her job and it shows. She really gets into it. I loved the way she kissed me, with passion. Her BBBJ was sublime, lot's of wetness, shaft licking, deep insertions into her throat and ball licking, she loves this a lot and also licked just underneath my cock in an area that is especially erogenous for me. She talked dirty throughout, lot's of spitting and great eye contact. Told me how she was looking forward to taking my cock deep in her pussy.

I fucked Lucy twice in my one hour, she could have gone another time too. She is a pleasure to fuck, likes to take the lead and be lead herself. I think she must work out as she's very energetic. Her CG is good but on the first round I fucked her ass, loved the dirty talk as I thrust deep into her

anal passage. Second time was a mixture of positions again after making my dick hard with her mouth.

Lucy is an adorable, sweet English girl, she's as bright as a button and intelligent too so suitable for more than a one hour fuck fest.

her smile is something else and very pleasant to talk to. I just love fucking girls like these, that look fantastic and have personalities. Go see her and enjoy.
