### The Premises:

Well known parlour in Leicester. Lots of free parking in nearby streets. Discrete entrance at the back if you don't want to use the main door. (It is the 2nd staircase in the yard with the wooden entry door.) Inside is a bit tatty and needs a coat of paint, but then you don't go for the décor..!

### The Lady:

Tall leggy blonde, in her 30s. Very slim and very sexy. Enhanced tits, but a real horny lady. Lots of up to date pictures on the website.

### The Story:

Chose Demi but could easily have taken the other available girl (Jasmine). 2 other girls working but they were busy when I called.

Started with a nice slow and sensual massage. Back first then turned over. Demi is very chatty and clearly her aim is to make sure that you have the best experience that you can.

Her oral skills are sensational and I very nearly came as she was doing that, something that is a real rarity for me. Sex then in 2 positions and she expertly finished me off by hand.

A great punt. My first visit to Labybirds, but it certainly won't be my last.
