The Story:

I arrived a few minutes early as this was a new location for me. Samira was ready and I received a warm welcome. She was wearing a short school skirt and blouse. Looked very sexy.

I told her what I liked, which is essentially a GFE, and told her to take it slowly and gently tease me. This she did expertly, and with great enthusiasm. Fantastic oral with her long hair sensually draped across my skin. She played with and sucked my balls also, which was great. I then returned the oral, which she seemed to enjoy. Samira then climbed on top, and we enjoyed a long slow fuck, all the time she teased me with her skirt and some great kissing. Her reverse cowboy was out of this world. I finished on top, as I tend to do.

With a few minutes to spare she gave me a nice massage, and we then chatted. She did not rush me, and seems to be a really likeable young lady.

I will certainly visit in the future.
