The Premises:

In the usual area of Central Milton Keynes, near the shopping centre.

The Lady:

Holly is a Scottish girl with lovely big boobs, and about average height.

She is one of the larger size girls: I chose her because of this, and she is very friendly and chatty.

The Story:

She came into the room, and I was very happy about her size and shape.

We talked, I paid her, then we undressed. She stripped and revealed her lovely big boobs, but kept her legs covered.

I told her that I prefer larger girls.

To begin she gave me a massage on my back, then oral without on me.

I asked about oral on her, but she said that she doesn't do that, so no pussy licking today.

So now it was time for me to concentrate on playing with her boobs, and she let me stroke her pussy with my fingers.

She squeezed cream onto her boobs and into my hands, leading to me having a lovely slippery play with her boobs.

She used a toy and pleased herself with it in her pussy at the same time.

It certainly seemed that she was really loved the combined activity: there were plenty of moans, and she said that

I had lovely soft hands.

She gave me more oral/hand play mixed with the other activity, until she made with cum really well while I played with her boobs.

This was a very pleasant experience and I really enjoyed it.

Did she enjoy it? Well we were actually in the room a few minutes extra- probably the longest " half hour " ever!

This probably provides the answer.

Thank you Holly - I hope to see you again soon.
