The Premises:

OK flat in Paddington, where a lot of these EE seem to work from. Parking not easy but best to arrive early to get a place. No meters, pay by phone only - which I hate.

The Lady:

A pretty blonde who features on a few sites, her English is quite good and she's a pleasant enough girl.

The Story:

Not mind blowing by any stretch but good value for the rate. She has a tidy figure and knows how to use it, was very keen to take the lead and also quite willing for me to do the same. Really nice BBBJ and was tempted to pay extra and fuck her arse. All in all a good session, I would not repeat but can certainly recommend for a once only visit. She loves doggy and was moaning with pleasure as I banged her. She kisses well.
