Profile Name: Brunette Escort In London

The Premises:

Can't recall the area but it was a simple flat she shared with another lady, bathroom and large bed.

The Lady:

Jannet is a busty, very busty Columbian lady. She matches her photos and is what you might call a BBW, perfect English.

The Story:

Jannet was friendly and inviting. I made the booking for her exquisite breasts and was not disappointed in this front, she has an amazing chest and is fine with a lot of attention given to them. Oral was at her discretion and she opted for covered which I wasn't a fan of but it was fine. Booking her at BabesofLondon will cost you £200 which is £50 cheaper than other agencies, I opted for photos to be taken and thus spent £250.

Given a neutral recommendation as she's fairly expensive but if you're a boob man and are in the mood for a thicker woman and can afford it she's a good choice
