The Premises:

Place is very good, neat and clean. It was my 13 th visit so wanted to try someone new.

The Lady:

Short with good body. Like to dictate her clients what to do. Extremely impolite and rude in behaviour.

The Story:

Pocessive, not caring. Always in rush to finish. Also make fake unnecessary sound to tempt which is a bit annoying. absolute waste of time and money. I suggest you better choose someone else if you really want to have good time.
