The Premises:

We're well know area. Small but clean room with shower, fresh towels etc.

The Lady:

She look older to me after 30's she had done too things on her face, boobs the are exchanged. Quiet pretty lady if you like that look....

The Story:

Started of with light french kissing which was to quick for my liking before she proceeded to do OWO which again was to quick. Very professional. Service was that of an expert. Yet I would say professional and not passionate. Almost sterile! Very much a PSE with a whore rather than someone pretending to be intimate.
