The Story:

I've enjoyed Karen several times. She has shoulder length auburn hair and is in her mid-50s I would guess. She pleased me at her flat in a good part of Edgbaston, with discrete entrance and easy and safe on-road parking. Shower is available.

This is an experienced lady who knows how to please a man. When her hands and fingers and lips and tongue get busy, then I float off into a rude dreamland. Karen is quite tall with a very well proportioned body. She has the most beautiful natural boobs with nipples that enjoy and respond to lots of attention. And she really does enjoy my tongue, soon getting very wet and taking a while to cum but when she does, you'll know. She is trimmed down below, not shaven, so no stubble to give me a red nose.

She enjoys sex in every way and takes charge of your pleasure. Thoroughly recommended for the more mature man. You may have to be patient as I don't think she works every day.
