The Premises:

A private flat in a block near the Commercial Road. It had a very discreet entrance and there were shower facilities inside.

The Lady:

A very pleasant and friendly, Blonde haired East European girl with 36E breasts.

The Story:

I enjoyed the session which was a massage and relief service although other options were availavble. The massage was actually extremely good as was the relief. The only problem I had was that Kim would be best described as a BBW. I prefer slimmer girls, but that said she was extremely friendly.
