### The Premises:

OK ish flat, a bit untidy

### The Lady:

Pictures are flattering, she's not awful but not as pretty as I was hoping, she reminded me of a U.S. pornstar in her younger days.

### The Story:

Not quite the performance I was hoping for. Not a total car crash but not a £200 per hour girl IMHO. Don't get me wrong, not terrible, it's jus that it all seemed so mechanical with no real zest or enthusiasm from her. I dunno, maybe it was me. Nothing was done remarkably well or badly. YMMV.
