The Premises:

A nice bright bedroom and a clean bathroom with a rack of fresh-looking white towels. The apartment block is big and anonymous so the ideal location.

The Lady:

Just like the photos. The kind of beauty the genie would magic up for you when you wished for a bronzed goddess with green eyes and soft skin, firm in all the right places. Tall but not too tall, gorgeous, seriously just look at the gallery and you're seeing what you're getting.

The Story:

I arrived a couple of mins early and was asked to come back in five, so I gave it a bit and then came back to a warm welcome from Daria who was wearing little more than a smile. Weirdly, that made me feel a bit odd, being dressed while she was in her skimpies, so I quickly undressed and went for a shower. Towelled off, she came over and our embrace began. The frenching was like a dance of the snakes. We lay down and I started to do ma thang, all accepted in a passive sort of way by Daria. Fellatio was very good, and the cowgirl was even better. All the same, there's something almost unreal about the experience, Daria being so glamorous-looking, so by the time we switched to the prone-bone I was running out of determination somehow. My own fault, really: it was less than 24hrs since my last appointment (greedy boy!) and as I say, something both passive and remote about Daria which meant no cigar for me!

I asked about A-levels and you can expect to part with a ton for that, so maybe next time. I recommend Daria despite my own poor performance. Just don't waste time with doggystyle cos her face is too beautiful to miss.
